

MATTER

// an exhibition at THE BAKERY

The exhibition is an exploration into the physical experiments and processes that take place in many creative disciplines. The intention of the exhibition 'MATTER' is to showcase the process of making as the common thread that links many artists and designers. The objects exhibited are glimpses into the methodologies of process driven investigations. Objects shown will be in an assortment of mediums and materials and it is expected that a range of technological and analog methods of production will be showcased.

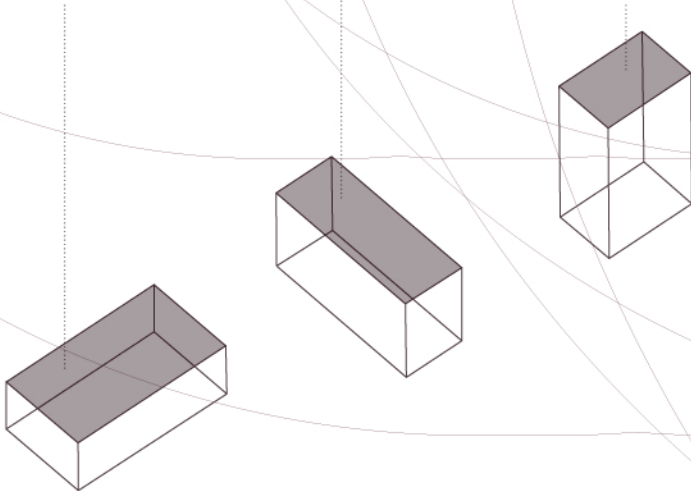

/ FORMAT

Only physical models will be included in this exhibition. No drawings or photographs. All proposed 'prototypes' must fit on pedestal bases 12" x 18" x 32". Any side of the base can be utilized for the display of the work. See diagram.

18" X 32"

12" X 32"

12" X 18"

/ COST/FEES

There is no cost to submit your work. THE BAKERY or its representatives are not responsible for the sale of the work in the exhibition. Any interest in the work will be referred to the the artist after the close of the exhibition.

/ ELIGIBILITY

Applicants may be an individual or an artist collective, student or professionals working in the creative disciplines of art, architecture and design. Applicants can be local, national or internationally based.

/ APPLICATION REQUIREMENTS

Name of Artist or Group
Contact information [email/website/phone number]
Proposal images [up to (5) digital images of work to be exhibited. Each image 1MB max]
Work description [no more than 300 words]

/ SELECTION PROCESS

Artists will be selected through an open application process followed by a curatorial review process. A review committee comprised of representatives from THE BAKERY DESIGN COLLECTIVE will make the final curatorial selection by 08.05.11. The selected artists will be notified via email. All genres of art will be considered with an emphasis on inventive processes of testing ideas and methods of fabrication.
